dawnushijima.com (pw: cowsmoo) | dawnushijima@gmail.com | 808.203.8763

I'VE WORKED AT:

harper+scott

creative director

june 2019 - present | new york, ny

- Supervised a multidisciplinary design team, driving successful execution of complex, cross-functional projects from concept to completion
- Mentored a team of junior, mid-level, and senior designers, fostering individual growth and team cohesion
- Set standards for team to reduce time constraints but maintain output quality
- Partnered with company leadership to drive sales growth and enhance operational performance
- Managed project details to align with client budgets and timelines, ensuring efficient delivery without compromising quality
- Coordinated with department leaders to problem-solve traffic workflow issues and resource creative assets and partners
- Lead client facing video calls to present pitch decks and advise on best creative solutions
- Developed creative direction based on client's brand guidelines and through conceptual artwork
- Rendered photo realistic mock-ups of products, packaging and other goods

slant.la
